

“List for Less”

Gary Dunn

If you are selling your current home to build or purchase a new home let my over 35 years of experience in Designing, Selling, and Building new homes help make this a great experience from beginning to end.

1. Together we develop the best strategy to find a buyer for your home at the highest possible price.
2. You enlist me to help you find the highest quality new home at the best price. Seller will pay my commission.
3. I will then List your existing home at 4% not 6% or 7% that many realtors charge. **JUST LISTING** and not buying I will list at 4-1/2% Still Saving you Money

Experience and a Commitment to providing the highest of service.
